

HEIFER INTERNATIONAL

HEIFER AT 75

OSCAR CASTAÑEDA

SENIOR VICE PRESIDENT FOR THE AMERICAS PROGRAM

A citizen of the world, Oscar is dedicated to caring for the earth and passionate about working with small holder farmers and their communities. For more than two decades he has designed, implemented and evaluated community-based sustainable development programs. In his current role, he is responsible for developing and implementing a long-term strategy for Heifer's programs in Ecuador, Guatemala, Haiti, Honduras, Mexico and Nicaragua.

Oscar holds a bachelor's degree in agronomy from the University of San Carlos in Guatemala; a doctorate in agricultural sciences from the University of Hohenheim in Stuttgart, Germany; and a post-graduate degree in business administration from the Center for Business Development in Guatemala.

Oscar and his wife reside in Little Rock, Arkansas and have one son. Oscar is an avid runner and marathoner; and he is fluent in Spanish, English and German.
